

ARMY COMMUNITY SERVICES (ACS)

Army Community Service staff and volunteers are available to help make your transition to Japan as delightful and problem free as possible. Upon your arrival at Camp Zama, ACS is available to serve you with the following orientation services:

- Loan Closet (includes dishes, glasses, pots and pans, irons and ironing boards, coffee pots, toasters, strollers, infant car seats, rice cooker etc) for 30 days loan.
- New Comers' Orientation (includes briefings on all available services at Camp Zama and free: taste of Japan" lunch).
- Shopping on the Economy Class (includes a trip to the 5 story 100 yen store).

Welcome Packets forwarded to incoming personnel with read ahead materials about Camp Zama, sightseeing area and PCS process to Japan.

In addition to orientation services, we also sponsor: Breast Feeding Support Group, Japanese Language and Culture Classes for adults and children, Sponsorship classes, Money Management seminars, Budget Counseling, Army Emergency relief assistance, parenting Classes, Exceptional Family member Program Support Group, Play Morning, Stress and Anger Management workshops, Single parents Group, Family Member Employment Program, English for Second Language Class, Japanese Class and Children's Japanese Class.

ACS invites you to join our vital organization of volunteers. Our community needs the special talents you have to offer. We are located in Building 402 (near the Main Exchange and the Community Club). Plan to visit us soon.

RELOCATION READINESS

Whether you are relocating to Japan or any other military installation worldwide, ACS Relocation Readiness Program has a variety of services to assist you with your next move. We offer assistance to Army families as they transition from installation to installation, pre-departure counseling, re-entry workshops, sponsorship training, cross-cultural assistance for bi-cultural families relocation adjustment workshops, and pre-and post move assistance.

If you need additional information, contact us at 263-8089.
